

Let's Keep Lawrence County Moving!

In the past few years, our county has faced some historic challenges including our jail being shut down and the Murray-Ohio plant closing for good. While many had Lawrence County down for the count, we have overcome and proven them wrong. Thanks to you, today our county is stronger

than ever and is on a path for success! It just goes to show how far a little hard work and teamwork will go!

I am excited about Lawrence County's future and want the opportunity to continue to provide the kind of strong leadership that will help keep our county moving in the right direction. That's why I want to let you know today that I intend to seek re-election as County Commissioner in the 2nd District (Loretto area) this coming year.

While we have made progress, we still have work to do and I would be honored to have the privilege to continue to serve you and continue to fight for good paying jobs, better schools, fiscal responsibility and lower taxes on behalf of all Lawrence Countians.

**LET'S SHAPE A BETTER FUTURE FOR
LAWRENCE COUNTY TODAY -- TOGETHER!
WISHING YOU AND YOURS A SAFE AND HAPPY
THANKSGIVING AND HOLIDAY SEASON**
